A USAR Christmas Carol

Submitted by: One Soc

(Sing to the tune of "Santa Claus is coming to Town")

You better bark loud
You better search wise
You better not critter
I'm telling you why
Santa Claus is coming to town.

He's making a list
He's checking it twice
He's gonna give treats
To dog's that work nice
Santa Claus is coming to town.

He sees whey you're distracted
He knows when you won't bark
He knows if you're just "cruising" the pile
So "ALERT" before it gets dark!!!!

Oh! You better watch out
You better not wait
You better find the victim
Or you'll stay in your crate!
Santa Claus is coming to town.

On the first day of creation God created the dog.

On the second day God created man to serve the dog.

On the third day God created all the animals of the earth (especially the horse) to serve as potential food for the dog.

On the fourth day God created honest toil so that man could labor for the good of the dog.

On the fifth day God created the tennis ball so that the dog might or might not retrieve it.

On the sixth day God created veterinary science to keep the dog healthy and the man broke.

On the seventh day God tried to rest, but he had to walk the dog!
